

# Share the Love

profit share & fundraising

Yogurt in Love offers profit share and fundraising for schools, youth teams, charities, and other organizations every day of the week!

## Profit sharing days

---

**Earn  
20%**

of the sales associated with your group on your designated day. Schedule for a profit share is available ANY day of the week.

## Promote your cause

Yogurt in Love will make a post about your profit share on both Facebook and Twitter. It is your groups responsibility to share the date of your profit share with as many people as possible.

\*We ask that there is no on-site solicitation of your groups profit share. Once the profit share begins you may not ask customers to mention your cause at the register. You will only receive credit for the people that specifically show up to support your case.

## Gift card fundraising

---

**Earn  
20%**

of your groups gift card sales. Gift cards are available in \$5 and \$10 dollar increments. Group is only responsible for the number of gift cards sold. No minimum!
